

**Kitty Cat Shuffle** (c) 1997 Hans Mayer & Frank Gosar

The sign on the box says kittens for free  
You ask mom and dad will you get one for me  
You promise that you'll watch 'em and keep 'em from harm  
Then you drop her on the sidewalk when she scratches your arm

Do the kitty cat shuffle - meow, meow  
Do the kitty cat shuffle - meow, meow  
Do the kitty cat shuffle - don't you think that it's neat  
That no matter how you drop her - she still stands on her feet

You kitty cat's a little thing with little tiny paws  
You don't see how it is she makes those ferrules with her claws  
She scratches on the table, on the chair, on the couch  
When she scratches your ankle you jump and say ouch

Do the kitty cat shuffle - meow, meow  
Do the kitty cat shuffle - meow, meow  
Do the kitty cat shuffle she don't want to be mean  
But you'd better get some band-aids and a little bac-teen

So, think your little kitty so fine and well bred  
You wake up in the morning there's a mouse on your bed  
All the birdies and the mousies and the worms and the bugs  
All end up in little pieces on the living room rug

Do the kitty cat shuffle - meow, meow  
Do the kitty cat shuffle - meow, meow  
Do the kitty cat shuffle she's ferocious it seems  
But she'll curl up like a baby with a saucer of cream

You kitty cat is friendly, your kitty cat is sweet  
Your kitty cat will trip you when she runs through your feet  
When you want to be alone she's all over your lap  
When you want a friend to cuddle then she's taking a nap

Do the kitty cat shuffle - meow, meow  
Do the kitty cat shuffle - meow, meow  
Do the kitty cat shuffle well he hisses and spits  
But she'll curl up and start purring just as soon as you sit  
Do the kitty cat shuffle - meow, meow  
Do the kitty cat shuffle - meow, meow
