

## Solar Energy (Mr. Sun)

We need the sun, sun, yes we need the sun  
Shinning down on me  
We need the sun, sun, yes we need the sun  
Solar energy

Everything on the earth needs sun  
For warmth and energy and having fun  
We need the sun, sun, yes we need the sun  
Solar energy

**La La La La La, La La La Las**

**We need the sun, sun, yes we need the sun  
Shinning down on me  
We need the sun, sun, yes we need the sun  
Solar energy**

**Everything on the earth needs sun  
For warmth and energy and having fun  
We need the sun, sun, yes we need the sun  
Solar energy**

Kids sing the words that are **Bold**
