

Flip-Flop Stomp

Slapping on the sidewalk, slipping in the sand
Running, running, running just as fast as I can
Watch my toes wiggle, give a little stomp
Going through the summer with the flip-flop stomp

The flip flop stomp! The flip-flop stomp
Going through the summer with the flip-flop stomp

Slipping to the see-saw, flopping to the slide
Kick'em in the air on a swing set ride
Chasing after tadpoles up in the swamp
Squishing through the summer with the flip-flop stomp
****squishing through the summer with the flip-flop
stomp

Tromping to the movies, pushing through the door
Make the noise echo on the lobby floor
Gotta love the sound when the soles go whomp
Romping through the summer with the flip-flop stomp
****romping throuh

I like flip-flops on my feet
Summer running is so sweet
Don't like the school shoes, they just clomp
Running through the summer with the flip-flop stomp
****running
