I'm having an awfullish, awfullish day
The wind blew my homework assignment away
The school bully took my lunch money
The other kids thought it was funny
I'm having an awfullish day,
An awfullish, awfullish day

I'm having an awfullish, awfullish day
Got called on in class didn't know what to say
The teacher asked if I'd read it
I said I still didn't get it
I'm having an awfullish day,
An awfullish, awfullish day

I'm having an awfullish, awfullish day
I came out of school as the bus drove away
Mom had to come in and get me,
The neighbor's dog almost bit me
I'm having an awfullish day,
An awfullish, awfullish day

But Mom wasn't mad at the things that I did
She said she had days like that too as a kid
But she never let it upset her
Cause she knew that things would get better
I'm having an awfullish day,
An awfullish, awfullish day
