

Christmas Cookies

Words & Music by Hans Mayer Copyright Myther Music 1998

Mom's in the kitchen - I think I'll go and see

WOW! This is great - it's a cookie factory!

Mix up the batter - there's the rolling pin

Get out the cookie cutters - let the fun begin

Chorus: There's circles and bells and Santa Claus
A gingerbread man and that's not all
A candy cane, X-Mas tree, a reindeer
An angel and a snowman and a teddy bear

Get out the dough - place the cookies on the sheet

Mix up the frosting - good and sweet

Spread it on the top - get the decorations out

The sprinkles and the silver bells fall right into your mouth

Chorus

Place the cookies in the oven - so they can bake

Pull them out , let them cool, put them on a plate

Smells so good - making them is fun

Please mom do you think I can sample some?

Chorus

There's a gingerbread man in a gingerbread house

A gingerbread cat and a gingerbread mouse

Fruitcake on the table - no one likes to eat

Wouldn't you agree that cookies are a treat?

Chorus
