

Wrap it Up

Words & Music by Hans Mayer Copyright Myther Music 1998

You'd better not wait till Christmas Day

Better to buy your presents today

Paper - tape - scissors too

Here's a little Christmas wrap for you

Wrap it up - Wrap it up

Santa knows just what you do

He is always watching you

He makes a list of every boy and girl

Who have been good all around the world

Wrap it up - Wrap it up

So do just what your parents said

Say your prayers and go to bed

Christmas day is drawing near

That's why we do the Christmas wrap in here

Wrap it up - Wrap it up

Get those presents, wrap em' up

Put a bow up on the top

Don't forget to write who it's for

Cuz they don't want much just a little more

Wrap it Up

Wrap it up - Wrap it up

Mom - Dad - Little Brother & Sis

Is there anyone you might have missed?

Uncle - Aunt - Cousin, too

Anyone who has ever been nice to you

Wrap it up - Wrap it up

Now this Christmas Wrap it through

Merry Christmas to all of you!
