

Momma's Little Helper

by Hans Mayer Copyright 1999 Myther Music

I'm helping Mom do the dishes
It's fun but I am getting wet
I'm helping out in the kitchen
Cleaning up the after dinner mess

Momma's little helper - Momma's little helper
I'm helping Mom today
Momma's little helper - Momma's little helper
Helping to stay out of her way

I'm helping Mom clean the bedroom
Cleaning & making up the bed
I'm putting all of my toys away
Just like my Momma said

Momma's little helper - Momma's little helper
I'm helping Mom today
Momma's little helper - Momma's little helper
Helping to stay out of her way

I'm helping Mom do the vacuum
The living room, stairway and the hall
And all of the carpeted bedrooms
Picking up my toys as we go

Momma's little helper - Momma's little helper
I'm helping Mom today
Momma's little helper - Momma's little helper
Helping to stay out of her way

I'm helping Mom in the bathroom
She's cleaning everything in sight
The sink and the tub and the toilet
I never knew that the walls were so white

Momma's little helper - Momma's little helper
I'm helping Mom today
Momma's little helper - Momma's little helper
Helping to stay out of her way
