

Wiggle Worm

by Hans Mayer Copyright 1999 Myther Music

I just love to hear you giggle
I know you've got a wiggle worm - cuz

All you do is wiggle & wiggle
And giggle & giggle & squirm

I bet if I gave you a tickle
It would start your wiggle worm - and

All you do is wiggle & wiggle
And giggle & giggle & squirm

Did you go to the doctor to get a wiggle pill
Or did you start on the day you were born
And it's wiggle - wiggle still?

All you do is wiggle & wiggle
And giggle & giggle & squirm

I bet if I gave you a pickle
It would feed your wiggle worm - then

All you do is wiggle & wiggle
And giggle & giggle & squirm

I bet if you just found a nickle
You'd spend it on your wiggle worm - then

All you do is wiggle & wiggle
And giggle & giggle & squirm

No one has to touch you and you giggle all the time
Makes me believe you've got a giggle on your mind - and

I just love to hear you giggle
I know you've got a wiggle worm - cuz
All you do is wiggle & wiggle
And giggle & giggle and squirm
