

Parts Of You And Me

words and music by Hans Mayer
copyright 1999 Myther Music

I've got ten toes, I've got one nose, I use my nose to breath
I've got two ears, to help me hear, I've got two eyes to see
I've got ten fingers, I've got one mouth, I use my mouth to eat
I've got two arms, I've got two legs, I've got two hands, two feet

I can talk with my mouth, I can pick things up in my hands
I can walk with my legs, and on my feet I stand
I can cry with my eyes, I can blow my nose
I can tell how old I am by counting my fingers and toes

These are parts of you and me, things we have to know
Lets go through them one more time and point to them as we go

repeat end
