Chorus

Play ground, play ground, watch me as I play
Play ground, play ground, I could play all day

Let's go play on the swing set, up and down we go
Fly so high touch the sky, up and down we go
Chorus

Let's go ride on the teeter totter, up and down we go
I don't know who's screaming louder, up and down we go
Chorus

Let's go play on the monkey bars, climbing all around
Look at me I'm a monkey, making monkey sounds
Chorus

Lets go ride on the merry go round, round and round we go
The whole world is spinning round, round and round we go
Chorus

Let's go play on the slide, climb up and slide down
See how fast we can glide, from the top down to the ground
Chorus
